TRIMMED With Your Own Ideas

Straw and chiffon materials MAKE PRETTY HATS and it won't require much in the way of trimming to make this smart effect. A bow of ribbon, a handsome flower, a fancy feather, in goura or ostrich, a stick pin, will be enough as hats for Spring do not require much trimming. The shapes themselves are extremely good looking and are presented in a variety of models to care for every need. Only best quality, latest shapes are shown here. Prices always popular.

A Useless Advertisement. An old man, well past sixty, entered the publication offices of the Book and Life and asked to be directed to the department, he requested the insertion of the following "liner ad.:"

LOST—About forty years ago—an oppor-tunity. It is probably worthless now, but I will reward the honest finder who brings it to me, as I am curious to know what it might have done for me had I not been careless with it.

The cierk read the advertisement and then looked pityingly at the old man

"We'll insert your ad.," he said, "but it is my duty to inform you that there is hardly any use ir putting it in. We have no records of any lost opportunities ever having been found."

The old man thought for a few min utes, then he said: "Well, insert it anyhow. People will read it and start to thinking." Then he went away. - Cleveland

Plain Dealer. Cross Eyed Mentally.

Do you ever start to say something and find yourself using the word you hadn't the faintest idea of using? Just a little cross eyed mentally, aren't you? Did you ever mean to jam your foot on the accelerator and slam it down on the brake instead? Have you ever put salt twice on the same plateful of food when one of the applications should have been pepper? Did you ever laugh at the wrong time at the theater, or sneeze unnecessarily at a funeral, or fall to sleep quietly in church, or solicitously inquire where So-and-so is nowadays when the poor chap has been dead six months? Sure all just a bit mentally cross eyed sometimes, and we don't look where it seems that we are looking. What we queer things too often. If we do there's no telling what may happen to us. We may get into the papers!-Springfield Uni

Valley of the Jordan. The valley of the Jordan constitutes the deepest depression on the face of the earth, the sea of Galilee itself being over 700 feet below the level of the Medito ranean, while the Dead sea is over 1,800 feet below the level of all the oceans of the world.

The Distinction. "Pa," asked Willie, "what's the dif-

ference between an invalid and a sick person?" "An invalid, my son," answered pa, 'has money."-Judge.
